INDEPENDENT AND OFF-BANK

Protect your privacy. Storage of your assets outside of the banking system

Do you want to store your valuables safely and protect your privacy? In a country with political and economic stability? This is why Swiss Gold Safe was founded in 2006.

The bank-independent solution provided by Swiss Gold Safe allows for the secure and discreet safekeeping of your valuables. Our high-security facilities meet strict standards and provide a full level of protection against loss.

As a storage company that does not engage in precious metal trading, we are not subject to financial market regulation, the common reporting standard (CRS) or FATCA.

Our reliable partners

Echtgeld AG, precious metals dealer

Broker of Argor-Heraeus, a renowned Swiss refinery, with competitive prices for precious metals trading.

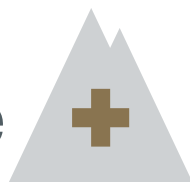

RMS Sicherheits-Anstalt, security services

A leading logistics provider specialising in high-value transportation.

Lloyds London and Allianz Suisse AG, insurers

Renowned partners for the insurance of our high-security vaults.

WHAT IS THE ADVANTAGE OF BANK-INDEPENDENT STORAGE?

As an owner-managed company, Swiss Gold Safe offers you distinct advantages over the storage provision available at banks.

- High-security facilities in the Gotthard area and in close proximity to Zurich airport
- Flexible safekeeping solutions
- Prevention of potential bank or systemic risks. Access is always possible.
- Safe storage without legal reporting obligation
- No external declaration of held stocks or deposit box contents
- Access is available to customers or their authorised persons.
- Each access is escorted by a member of our trained security personnel.

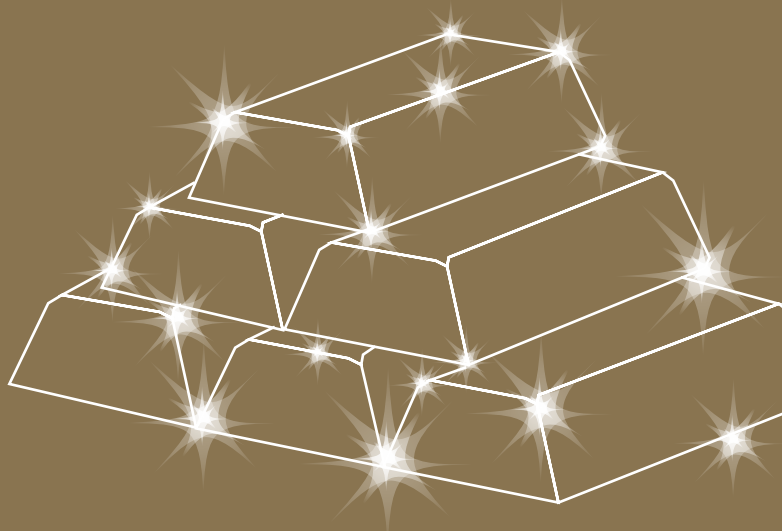

SEGREGATED PRECIOUS METAL AND VALUABLES STORAGE IN SWITZERLAND

Your advantages:

- Secure storage under a custody agreement according to art. 472 of the Swiss Code of Obligations
- Your valuables are stored on pallets or in dedicated safes, listed with bars or seal numbers.
- Comprehensive full-risk insurance against loss by Lloyds, London
- Cash storage is possible for Swiss institutional clients and family offices.
- Buying and selling of precious metals through our partner, Echtgeld Ltd

Segregated & allocated storage (in both domestic and duty-free warehouses in Switzerland)

Our duty-free warehouse offers storing precious metals like gold, silver, platinum or palladium and other valuables without sales tax being applied.

PRIVATE SAFE DEPOSIT BOXES IN SWITZERLAND AND THE PRINCIPALITY OF LIECHTENSTEIN

Off-bank and insured

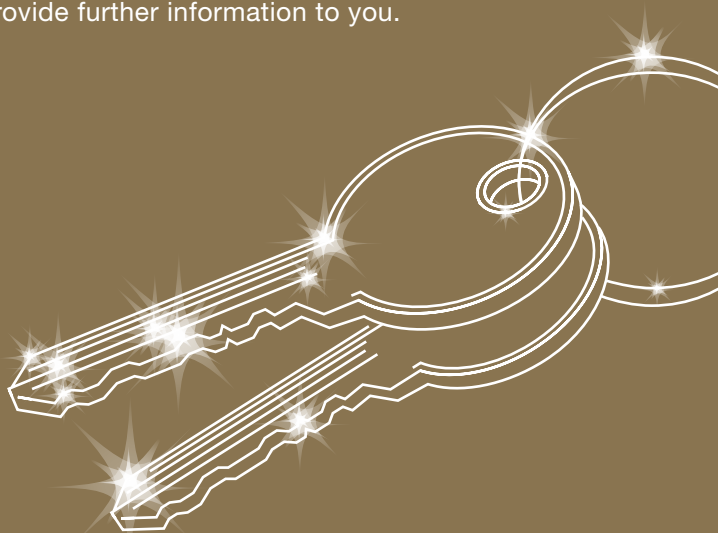

Our high-security facilities with safe deposit boxes in the Gotthard area and the Principality of Liechtenstein are suited for the storage of precious metals, cash, valuables, art, hardware wallets for cryptocurrencies and documents.

Your advantages:

- Secure storage under a safe deposit box rental contract
- No declaration of contents
- No bank account is required in either Switzerland or Liechtenstein
- Full insurance is available on request from Allianz Suisse
- Different categories of deposit boxes to choose from. Either code or key lock. The client receives all keys.

Hypersecure storage of crypto assets

In addition to our storage solutions for precious metals and other valuables, we also offer the safekeeping of crypto assets. We are happy to provide further information to you.
